There are some changes to our scheduling and programming this summer that we believe the campers will enjoy! The theme for summer 2022 is "Every Story Matters" and our heart is that your student leaves camp encouraged and challenged in their walk with Jesus.

The information contained in this packet is to help you prepare for the summer ahead! We cannot wait to serve you this summer!

Sincerely,

II. Camp Operations

Our chief goal is to present the Gospel of Jesus Christ to campers and encourage them in their journey as a disciple. We have made some changes to our programming to add more intentional discipleship building opportunities. Camp will be packed with activities and fun, but we intentionally removed some of the previous activities to foster an environment more conducive to building community. In our digital world right now, students need human interaction more than ever. Fort Bluff Camp will be a place for students to get out of the digital realm and build true friendships with other believers.

Each leader/counselor will be supplied with a daily schedule at Check-In and kept informed of any changes during camp.

A. Procedures/Rules

Non-Emergency: If you have non-emergency information which needs to be relayed to your camper, please call the office during normal business hours or email info@fbc-naca.org.

Your camper will be fully engaged during their camp experience, so it is not possible for our staff to direct personal, non-emergency calls to campers. Assume your child is having a great time and trust our staff to contact you if otherwise. If an issue arises with your child, the Camp Director will call you immediately. A Camp Nurse will contact you about any health or injury issues.

H. Medication Process for Campers

Before Camp: Complete these 3 steps.

- **Update Medical Information in each camper's account no later than 14 days before the camp start date.** All medications, allergies, and health history need to be up to date.
- **All Medications must be entered prior to arrival.** Log into your account, click on View Registrations, then choose the camper you would like to update. Click on the Health Form to enter or update medications.
- **Print out and Complete the Camper Medication List.** The list will be located on the website under Summer Camp tab. Place the list, along with the original medication containers in a Ziploc bag. Print the camper's First and Last name legibly on the bag.

Packing Medications: Provide enough medication to last the entire time your camper is at camp OR for the length of time that the medication is to be taken. Please do not send your child's entire supply of a medication in case the medication is not picked up.

Campers may not keep medication in their backpack/luggage – prescribed, over the counter, vitamins, essential oils, or homeopathic remedies should all be checked in with the Camp Nurse.

If an exception is needed and the medication needs to be easily accessible (ex: inhalers or epi-pen), this needs to be cleared through the Camp Nurse by special request. Once cleared by the Camp Nurse, the medication will be kept with the camper's Counselor. For safety reasons, campers are not allowed to carry medication with them at camp. If a counselor is carrying medication for a camper, they should always be within eyesight of that camper in case of emergency.

Prescribed Medication must be unexpired and in the original container with a pharmacy label that has the camper's name, prescribing doctor's name, and directions for use. Do not place medication in medication organizers. Fort Bluff Camp Nurses need to be able to verify that the proper medication/dosage is being administered to your child.

Over The Counter Medications or Vitamins must be unexpired and in the original container and clearly labeled with the camper's first and last name.

Essential Oils or Homeopathic Remedies must be unexpired and in the original container and clearly labeled with the camper's First and Last name. Note: Our Camp Nurse will not dispense these. Campers are responsible for their own personal use of these but will be supervised by the Camp Nurse when using them.

First Day of Camp: During Check-In, give the Ziploc bag containing the completed Camper Medication List and labeled medication containers to the Camp Nurse. Allow time to stop by the Camp Nurse table to check-in medications during the Check-In process.

During Camp: Please make every effort to be reachable by phone in case of an emergency or if your child becomes ill.

Last Day of Camp: Before leaving camp, please see the Camp Nurse in the Chapel to pick up all unused medications. Please be diligent in checking and verifying each camper has the proper medication before leaving Fort Bluff Camp.

V. Closing Notes

We expect this summer to be different than summers past. We hope to improve the camper/youth leader experience year after year. This summer, during Teen Camps, we

will have intentional breakout sessions with the students to highlight some topics of extreme importance. We will cover topics like dating, online harassment and bullying, self-image, apologetics, the mission field, honoring parents, and other relevant topics to today's youth. Additionally, we have created some space on Friday morning during Teen Camps for campers to share their testimony if they desire to do so. We anticipate this being a big encouragement to our campers this year.

During Junior Camps, we will have breakout sessions with Biblical Teaching all over campus to highlight more "Stories" from the Bible that are impactful to the believer.

We fully believe that this summer will be life changing for many and are praying for your students now! Please be in prayer for all our camps and activities this summer that God's Word would go forth and do what only it can do!

Please be sure to check the health status of your campers before coming. Campers should not attend who have fevers or lice.

Finally, after camp is over, we will be sending surveys out to everyone for your feedback. Please fill those out for us and let us know how your experience was. We can only improve things if we know they need to be improved! Thank you so much for sharing part of your summer with us here at Fort Bluff Camp!

If there are questions about anything discussed in this packet, please contact the office prior camp beginning. Give us a call at 423-775-0488 or an email at info@fbc-naca.org and we will provide clarification.
